

THE SPA ON 4TH

SUMMER SERVICES
MAY 5 THROUGH SEPTEMBER 30, 2017

A RETREAT FOR BODY, MIND AND SPIRIT

According to ancient legend, the mythical phoenix rose from the ashes of its past to be reborn and celebrate renewal. This power of transformation, whether of the body, spirit or mind, is inherent to the philosophy of the spa. Our spa rituals lead to inner calm, self-revelation and harmony with one's own natural rhythms. Like the mythical phoenix, one's body is a powerful change master – but it is the spirit that transforms.
